v.

14 NEHEMIAH AVILA,  
15 CEASAR MARTINEZ, and  
RICARDO MARMOLEJO,

16 Defendants.

CASE NO. 2:21-CR-0020-MCE

STIPULATION REGARDING EXCLUDABLE  
TIME PERIODS UNDER SPEEDY TRIAL ACT;  
ORDER

DATE: August 12, 2021

TIME: 10:00 a.m.

COURT: Hon. Morrison C. England, Jr.

17  
18 **BACKGROUND**

19 This case is set for a status hearing on August 12, 2021. On May 13, 2020, this Court issued  
20 General Order 618, which suspends all jury trials in the Eastern District of California “until further  
21 notice.” Under General Order 618, a judge “may exercise his or her authority to continue matters,  
22 excluding time under the Speedy Trial Act with reference to the court’s prior General Order 611 issued  
23 on March 17, 2020 . . . with additional findings to support the exclusion in the Judge’s discretion.”  
24 General Order 618, ¶ 6 (E.D. Cal. May 13, 2020). In addition, any judge “may order case-by-case  
25 exceptions” to General Order 618’s provisions “at the discretion of that Judge or upon the request of  
26 counsel, after consultation with counsel and the Clerk of the Court to the extent such an order will  
27 impact court staff and operations.” General Order 618, ¶ 7 (E.D. Cal. May 13, 2020). This and previous  
28 General Orders were entered to address public health concerns related to COVID-19.

1       Although the General Orders address the district-wide health concern, the Supreme Court has  
 2 emphasized that the Speedy Trial Act's end-of-justice provision "counteract[s] substantive  
 3 openendedness with procedural strictness," "demand[ing] on-the-record findings" in a particular case.  
 4 *Zedner v. United States*, 547 U.S. 489, 509 (2006). "[W]ithout on-the-record findings, there can be no  
 5 exclusion under" § 3161(h)(7)(A). *Id.* at 507. Moreover, any such failure cannot be harmless. *Id.* at  
 6 509; *see also United States v. Ramirez-Cortez*, 213 F.3d 1149, 1153 (9th Cir. 2000) (explaining that a  
 7 judge ordering an ends-of-justice continuance must set forth explicit findings on the record "either orally  
 8 or in writing").

9       Based on the plain text of the Speedy Trial Act—which *Zedner* emphasizes as both mandatory  
 10 and inexcusable—General Orders 611, 612, 617, and 618 require specific supplementation. Ends-of-  
 11 justice continuances are excludable only if "the judge granted such continuance on the basis of his  
 12 findings that the ends of justice served by taking such action outweigh the best interest of the public and  
 13 the defendant in a speedy trial." 18 U.S.C. § 3161(h)(7)(A). Moreover, no such period is excludable  
 14 unless "the court sets forth, in the record of the case, either orally or in writing, its reason or finding that  
 15 the ends of justice served by the granting of such continuance outweigh the best interests of the public  
 16 and the defendant in a speedy trial." *Id.*

17       The General Orders exclude delay in the "ends of justice." 18 U.S.C. § 3161(h)(7) (Local Code  
 18 T4). Although the Speedy Trial Act does not directly address continuances stemming from pandemics,  
 19 natural disasters, or other emergencies, this Court has discretion to order a continuance in such  
 20 circumstances. For example, the Ninth Circuit affirmed a two-week ends-of-justice continuance  
 21 following Mt. St. Helens' eruption. *Furlow v. United States*, 644 F.2d 764 (9th Cir. 1981). The court  
 22 recognized that the eruption created "appreciable difficulty" for the trial to proceed. *Id.* at 767-69; *see*  
 23 *also United States v. Correa*, 182 F. Supp. 326, 329 (S.D.N.Y. 2001) (citing *Furlow* to exclude time  
 24 following the September 11, 2001 terrorist attacks and the resultant public emergency).

25       The coronavirus poses a similar, albeit more enduring, "appreciable difficulty" to the prompt  
 26 proceedings mandated by the statutory rules. Recently, the Ninth Circuit enumerated a "non-  
 27 exhaustive" list of seven factors it found to be "relevant" in considering ends-of-justice Speedy Trial Act  
 28 continuances "in the context of the COVID-19 pandemic." *United States v. Olsen*, --- F.3d ---, 2021 WL

1 1589359 at \*7 (9th Cir. Apr. 23, 2021). That non-exhaustive list includes: (1) whether a defendant is  
2 detained pending trial; (2) how long a defendant has been detained; (3) whether a defendant has invoked  
3 speedy trial rights since the case's inception; (4) whether a defendant, if detained, belongs to a  
4 population that is particularly susceptible to complications if infected with the virus; (5) the seriousness  
5 of the charges a defendant faces, and in particular whether the defendant is accused of violent crimes;  
6 (6) whether there is a reason to suspect recidivism if the charges against the defendant are dismissed;  
7 and (7) whether the district court has the ability to safely conduct a trial. *Id.*

8 In light of the foregoing, this Court should consider the following case-specific facts in finding  
9 excludable delay appropriate in this particular case under the ends-of-justice exception, § 3161(h)(7)  
10 (Local Code T4). If continued, this Court should designate a new date for the hearing. *United States v.*  
11 *Lewis*, 611 F.3d 1172, 1176 (9th Cir. 2010) (noting any pretrial continuance must be “specifically  
12 limited in time”).

13 **STIPULATION**

14 Plaintiff United States of America, by and through its counsel of record, and defendant, by and  
15 through defendant's counsel of record, hereby stipulate as follows:

16 1. By previous order, this matter was set for a status hearing on August 12, 2021.

17 2. By this stipulation, defendant now moves to continue the hearing until October 21, 2021,  
18 and to exclude time between August 12, 2021, and October 21, 2021, under 18 U.S.C. § 3161(h)(7)(A),  
19 B(iv) [Local Code T4].

20 3. The parties agree and stipulate, and request that the Court find the following:

21 a) The government has represented that the discovery associated with this case  
22 includes criminal history documents; reports of investigation; videos; and Title III wire materials  
23 for five phone accounts, including wire intercepts, line sheets, and affidavits. All of this  
24 discovery has been either produced directly to counsel and/or made available for inspection and  
25 copying. Additional discovery is forthcoming.

26 b) Counsel for defendants desire additional time to consult with their clients, review  
27 the current and forthcoming discovery, conduct investigation and research related to the current  
28 charges, to discuss potential resolutions with their clients, to prepare pretrial motions, and to

1 otherwise prepare for trial.

2 c) Counsel for defendant believe that failure to grant the above-requested  
3 continuance would deny them the reasonable time necessary for effective preparation, taking into  
4 account the exercise of due diligence.

5 d) The government does not object to the continuance.

6 e) In addition, because of the public health concerns cited by the General Orders and  
7 presented by the evolving COVID-19 pandemic, an ends-of-justice delay is particularly apt in  
8 this case.

9 f) Based on the above-stated findings, the ends of justice served by continuing the  
10 case as requested outweigh the interest of the public and the defendant in a trial within the  
11 original date prescribed by the Speedy Trial Act.

12 g) For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161,  
13 et seq., within which trial must commence, the time period of August 12, 2021 to October 21,  
14 2021, inclusive, is deemed excludable pursuant to 18 U.S.C. § 3161(h)(7)(A), B(iv) [Local Code  
15 T4] because it results from a continuance granted by the Court at defendant's request on the basis  
16 of the Court's finding that the ends of justice served by taking such action outweigh the best  
17 interest of the public and the defendant in a speedy trial.

18 //

19 //

20 //

21 //

22 //

23 //

24 //

25 //

26 //

27 //

28 //

4. Nothing in this stipulation and order shall preclude a finding that other provisions of the Speedy Trial Act dictate that additional time periods are excludable from the period within which a trial must commence.

IT IS SO STIPULATED.
